

My Dear Friends:

On July 29th, we will celebrate the 22nd annual Saint Matthew Golf Classic at Hopkinton Country Club. This tournament is a significant source of our annual scholarship fund. Each year over the past 21 years, we have distributed over 25 thousand dollars to our high school seniors. In addition to Saint Matthew's kids, last year we also gave scholarships to four students from Cristo Rey School in Boston.

We have a wonderful group of young people at Saint Matthew who have been consistently active in our youth ministry program. The Scholarship program is our way of offering these outstanding kids support as they go to college and beyond.

I appreciate the generosity of our parishioners toward the youth of our parish. Enclosed please find forms to sponsor the tournament or join us at the beautiful Hopkinton Country Club for an enjoyable day.

Be assured of my continued prayers for your families.

Gratefully,

*James Flynn*
